Manitoga District  
Webelos Klondike

February 6, 2010

9 am – 2 pm 8:30 check-in

**FDR PARK Yorktown**

**20% Early Registration Discount**

The Webelos Klondike is an annual event held in order to bring Webelos and Boy Scouts together. It features stations run by Boy Scouts where the Webelos develop teamwork skills as well as individual Scout skills. It is a great opportunity to promote the Webelos to Scout transition.

Each Sled will need to have and bring:

Tour Permit - Klondike sled - Den Flag – First aid kit – Blanket – Tarp – 2 six ft. poles – Large garbage bag – one large container of hot cocoa mix – one gallon of water– and 2 BSA registered adults\*

Each **Webelos** will need:

Lunch – Reusable hot cup – Compass – 6 ft. piece of rope – Flint & steel set - small sandwich size baggie of dryer lint

If your Pack does not have a Klondike sled and is unable to build one; a Klondike sled may be borrowed from a local Troop. We would be happy to help locate one for your use.

\* All registered adults participating MUST be Youth Protection trained. Hazardous Weather training is encouraged.
