Camp Site Reservation Policy

It is the goal of the Read Scout Reservation Staff to have each troop spend their week in the camp site of their choice. Unfortunately there are times when the space requirements of the camp necessitate moving a troop from their reserved site into another site. The Camp Site Reservation Policy follows:

1. If a troop registers for the following year while at camp, they reserve a site. In order to avoid sharing or being moved from that site, they must fill 75% of the available space. Number of campers attending will be determined by June 1st each year.
2. Any camp reservation taken after the season closes will be made on a site preference basis. The camp management has the option to move the troop as space dictates.
3. Troops must pay an additional non-refundable \$200.00 per week confirmation fee by March 1, 2011 in order to continue their camp site reservation. The \$200.00 per week payment will be applied to your total youth and adult fees and will not be rolled over to the following year. Any troops not forwarding this fee to the Council Service Center will lose their camp site reservation.

Welcome to the Best . . . The Curtis S. Read Scout Reservation
