

# Canoe Trip

Long Lake to Tupper Lake

**Estimated Difficulty:** Challenging

**Estimated Mileage:** 45-Miles

**Day 1:** 9.5 Miles

From the State Boat Launch off Dock Road on Long Lake your group will head for the foot of the lake where on the N/E side you'll set up camp at the Wilderness Camp.

**Day 2:** 5.5-Miles, 1 Carry (1.3 Miles)

After breaking camp enter the Raquette River. At Raquette River Falls you'll portage approximately 1.3 miles to the foot of the falls where camp may be set up for the evening.

**Day 3:** 10 Miles

Proceed downstream on the Raquette to Trombley Landing and set up camp for the evening.

**Day 4:** 16 Miles

From Trombley after a 2 mile stretch leave the Raquette River through a cutoff channel and enter Simon Pond. Head S/W and you will enter Tupper Lake. On the S/W side of the lake will be your last campsite, Black Bay lean-to.

**Day 5:** 4- Miles

Head across the lake to Rock Island Bay for pick up.

**Recommended Maps:**

Adirondack Canoe Map, Adirondack Paddlers Map, Northern Forest Canoe Trail- Map 2, Long Lake to Saranac River

**Recommended Guidebooks:**

Adirondack Paddlers Guide by Dave Cilley, The Northern Forest Canoe Trail: Official Guidebook, Paddling Through Time by The Northern Forest Canoe Trail, and Adirondack Canoe Waters: North Flow by P. Jamieson and D. Morris, and the Appalachian Mountain Club: Quiet Water New York by Haynes and Wilson

**Total transportation to and from Summit Base:** 285 miles, cost \$143
