

Leave No Trace/Outdoor Ethics Program Weekend at the Curtis S. Read Scout Reservation

Throughout the weekend scouts work on essential team building skills crucial to applying outdoor ethics to their troop and everyday lives. Scouts earn an LNT/Outdoor Ethics Awareness Certificate and uniform patch.

While Leave No Trace ethics are taught and practiced amongst scout groups across the country, not all troops get to learn how to use all 7 principles in their own native back yard. Take the opportunity to apply these techniques in the Adirondack Park with this new hands on program at Camp Read.

When: May 12th-14th, 2017
Where: Curtis S. Read Scout Reservation
Who: Scouts aged 12+. Group size 6-12.
Fees: \$165 includes program, lodging and meals
