It’s a Partnership!

Webelos to Scout transition is everyone’s responsibility. Webelos Leaders, Cubmasters, Parents, Scoutmasters, Commissioners, and District Committee. All must work together to ensure that Webelos and their parents know all the great fun and adventure in store for them as they become Scouts BSA.

Remember, Webelos is not the end of Cub Scouts. The transition from Webelos to Scouts BSA is a normal and expected part of the program.

- Recruits Webelos leaders and promotes Den, Webelos, and BALOO leader training.
- Helps plan and conduct graduation ceremony
- Promotes the Pack Camping program.
The Den Chief

- A role model for Boy Scouts
- A resource for teaching Scout skills
- Shares experiences in Troop to build excitement
- Helps Webelos Den operations
- Assists in the Arrow of Light and Graduation ceremony
- Gains leadership experience for rank advancement
The Webelos / AoL Program

The easiest way to prepare a Webelos scout for Scouts BSA is by earning the Arrow of Light.

Required Adventures provide an introduction to many Scouts BSA concepts:

- **Scouting Adventure**: Meeting Structure / Troop Leadership
- **Outdoor Adventurer**: Expand outdoor skills in anticipation of joining a Scouts BSA troop.
- **Building a Better World**: Practice citizenship at the local, national, and world levels.
- **Duty to God In Action**: Learn about and practice the scout's religious faith.
Elective adventures are similar to the BSA merit badge program, where scouts are able to explore particular topics in greater depth.

Webelos Den overnighters are an excellent time to work on the required adventures and to get the scouts excited about camping more in the future.

Webelos can camp with a Scouts BSA troop for 1 night only (if invited)

Aim to complete AoL requirements by February / March and plan your crossover early. This gives the new scouts a chance to build a level of comfort with their troop before Summer Camp.
The Crossover

The main purpose of the Crossover Ceremony is to recognize Scouts who are moving forward in the Scouting program, but it is also an opportunity to inspire other Cub Scouts to reach this significant milestone as well.

- Keep it simple
- Make it meaningful
- Involve the youth leaders

There are many resources available to Pack leaders online to help plan your crossing over ceremony.

The Order of the Arrow [Http://www.ktemaque.org](http://www.ktemaque.org), can assist as well.
Picking the Right Troop

Each Troop has its own “personality”. It’s important that your scout finds the right fit in order to be successful.

Troop Considerations:

- Meeting Time / Location
- Troop Size. Large vs Small.
- Meeting Format. Youth led?
- Are all scouts in uniform?
- How are Troop Communications handled?
- How are new scouts integrated into the troop? New Scout patrol?
- How is advancement managed? Target First Class?
- Does Troop have a published calendar?
- Does the Troop go to Summer Camp? Where?
- Are all adult leaders trained?
- Cost? Required gear? How are troop funds managed
- Parental Expectations?
- Was the meeting FUN??
Picking the Right Troop

Consider taking notes or using a checklist to help make your decision easier.
Virtual Scouting

How do we keep our AOL den / new scouts engaged during this period of social distancing?

Virtual “Zoom” Troop or Den Meetings - Zoom offers free accounts (45 minutes), and many troops are having their weekly meetings via Zoom.

Virtual Merit Badges - Many merit badge counselors are willing to meet virtually to work on badges.

Rank Advancement Modifications - BSA has recently announced modifications to rank requirements to allow Scouts to continue their advancement.

Virtual Camping - Virtual Campouts can be used to fulfill the Tenderfoot camping requirement.
